February Outing - Carsington Water

Saturday 25th February 2015

Carsington Water, owned by Severn Trent Water, situated in the beautiful rolling countryside of the Derbyshire White Peak, boasts a range of wildlife habitats, from species-rich wildflower meadows, ancient hedgerows and native woodlands, to the vast expanse of the reservoir with its many scrapes and reedbeds. Over 250 bird species have been recorded here. Meeting at the main visitor centre car park at 1000, our focus will be on the wintering wildfowl.
