February Outing - Brandon Marsh

Saturday 16th February 2019

Meeting at the Visitor Centre Car Park at 0930, Brandon Marsh is a 200-acre nature reserve and Site of Special Scientific Interest (SSSI) on the banks of the River Avon, near to Coventry. Once an active sand and gravel quarry, the site is now a tranquil series of pools and wetlands, providing excellent habitat for a wide variety of birds and wildlife.

Directions:

It is easily accessible by road, as it is just off the A45 to the south-east of Coventry. From the Toll-Bar Island where the A45 and A46 meet, follow the A45 away from Coventry for about 200 metres, then turn left just after a 'Texaco' filling station into Brandon Lane. The Nature Centre is about 1 mile along on the right hand side.

To book a place please contact Andrew Cliff no later than Monday 11th February 2019
