June Outing - Paxton Pits

Saturday 17th June 2017

Paxton Pits Nature Reserve consists of 78 hectares of lakes, meadow, grassland, scrub and woodland situated next to the River Great Ouse. The reserve provides a rich mosaic of wildlife habitats and a wide variety of birds, insects, mammals and flora throughout the seasons. Paxton Pits is famous for its Nightingales which will be our target species for the day. Meeting at the reserve car park at 0730.

Directions:

Paxton Pits Nature Reserve can be found in the village of Little Paxton which lies 3km north of St Neots. Follow the signs through the village to reach the car park and Visitor' Centre.

To book a place please contact Andrew Cliff no later than Monday 12th June 2017
