September Outing - Holme & Titchwell

Saturday 21st September 2019

Meeting at the Holme village car park next to the golf course at 0930. Target species will be Bearded Tit along with passage migrant waders. After a short walk across the dunes onto the beach, we will sea-watch and enjoy close-up views of our more common waders.

Later we will travel to Titchwell Marsh which is without doubt one of the country's most famous birdwatching reserves, anything can turn up here, our objective will be finding the Bearded Tits.

Directions:

From Hunstanton drive eastwards along the A149, on approaching the village of Holme turn left onto Beach Road, signposted Holme Bird Observatory, continue along the lane until reaching the car park on the right.

To book a place please contact Andrew Cliff no later than Monday 16th September 2019
Phone: 01530 814593 E-Mail - walkingbirdman@aol.co.uk

Next Outing - Frampton Marsh
Saturday 19th October 2019
