April Outing – Frampton Marsh

Saturday 25th April 2026

Frampton Marsh lies on the coastal wetland of The Wash, the reserve includes reedbeds, large freshwater scrapes and wet grassland, attracting a good variety of birdlife including Avocets, Redshanks, Skylarks, Whimbrels and Marsh Harriers. The reserve is a crucial place both for migrating and breeding waders. Meeting in the reserve car park at 0930 our focus will be on the passage of spring migrants.

Directions:

From Stamford follow the A16 to Spalding and Kirton, follow the local signs to RSPB Frampton Marsh.

To book a place please contact Andrew Cliff no later than Monday 20th April 2026.
