November Outing – Langford Lowfields

Saturday 14th November 2026

Langford Lowfields provides wildlife friendly habitats that have been created during the reclamation of the sand and gravel quarry. With over 40 hectares of reedbed and 3 hectares of mature woodland forming the backbone of this developing open wetland reserve. Our aim will be to seek out over-wintering birds. Meeting at the reserve car park at 0930.

Directions:

From the A1 southbound or northbound, take the Newark-on-Trent turn and take the A46 (N) towards Lincoln. At the Newark Showground roundabout, take the A1153 signposted towards Gainsborough and Collingham. After approximately 2.5 miles (4km) and immediately after the level crossing, turn left into Cottage Lane. The gated entrance to the car park is 50 metres along the lane.

To book a place please contact Andrew Cliff no later than Monday 9th November 2026.
